## Powell Says Meeting of Delegates Turns Up Support for Harriman

SPRINGFIELD (UP)—State Rep. Paul Powell said a Friday meeting of downstate Democratic national convention delegates turned up new support for New York Gov. Averell Harriman, with Adlai E. Stevenson holding his own and Missouri Sen. Stuart Symington losing ground.

Powell, Vienna Democrat, called the meeting and those present included ex-Gov. John Stelle and former U. S. Sen. Scott W. Lucas, both of whom opposed Stevenson's bid for the party's presidential nomination.

Powell said Harriman "had more support" at the meeting than he did at a similar gathering two months ago which was called by Stelle and Lucas.

A statement issued after the first meeting expressed strong sentiment for Symington and completely ignored native son Stevenson.

The Illinois Democratic Organization, headed by Chicago Mayor Richard J. Daley, supports Stevenson. Powell said he had heard "indirectly" that the organization was not happy with his calling a meeting of downstate delegates before the regular delegation caucus.

At least three Stevenson supporters among the downstate delegates stayed away from the meeting. They were V. Y. Dallman, editor of the Illinois State Register, Richard G. Hershey, Taylorville, and James Drew, Springfield.

Powell said Harriman's new support resulted from an appearance he made at Champaign earlier this week. He said Harriman indicated

to delegates and legislators who met him at Champaign that he was more of a "Roosevelt-Truman Democrat" than Stevenson and that this would help Harriman in Illinois.

"Truman could carry Illinois right now," Powell said. "I might just cast my little old half vote at the convention for Truman."

Delegates who attended the meeting were Martin O'Brien, Aurora; Conrad Wirth, Joliet; Glen Kunkle, Freeport; Willard H. Allen, Rockford; Henry Wise, Danville; Edward La Roque, Kankakee; Howard S. Beene, Peoria; Francis J. Coyle, Rock Island; Lucas, of Havana; Joseph G. Heckenkamp, Quincy; D. M. Madigan, Penfield; John Henson, Villa Grove; Stelle, of McLeansboro; Le Roy Barham, Harrisburg; Gordon Franklin, Marion.

The at-large delegates present were Powell and Joseph Knight, Dow.

## Allendale Man Killed While Fleeing Hit-Run Accident

MT. CARMEL, Ill. (Special)—A 39-year-old Wabash county man was fatally injured at 6:30 p. m. Friday while fleeing from a hit and run accident.

Robert D. Litherland, of near Allendale, died at 8:50 p. m. in Wabash General hospital after his car crashed into a bridge abutment seven miles north of Mt. Carmel on Market Street Road.

Workers were blacktopping the road when Litherland's car narrowly missed a roller and hit the abutment.

An hour earlier, Litherland's car had hit one driven by the Rev. John Walser, of Allendale, two miles northwest of Mt. Carmel on a country road and he was fleeing from the scene when fatally hurt.

Wabash County Sheriff Charles Kennard was following Litherland's car closely and saw it strike the bridge abutment. Kennard had received a call from the Rev. Walser and was pursuing Litherland.

## Oil Producers Protest Harco Road Load Limit

Oil producers are protesting the load limit on the Harco road and a special meeting of the Saline County Board of Supervisors has been called to discuss the matter with them.

Board Chairman Howard Patterson said the meeting will be held Monday morning at the court house.

The county board recently set a load limit of five gross tons per axle for the Harco blacktop road and on July 19 set penalties as follows: \$50-\$100 for first offense, \$100-\$200 for the second offense and \$200-\$300 for the third offense.

Thursday county highway employees who had been deputized being weighing the big oil transports coming out of the Galatia oil field onto the Harco road and three tickets were given to overweight trucks.

Yesterday a group of oil men arrived at the court house to protest the action. The board meeting was set.

In getting a load limit set, R. D. Brown, county superintendent of highways, said the big transports loaded with oil were ruining the blacktop road and asked that the limit be set. At the time of the action Brown said that the oil transports could come within the law by reducing somewhat the number of barrels of oil hauled out in a transport.

Amos Woods, head of the Delwood Oil Co., a big producer in the Galatia field, charged the county's load limit would ruin production in the area.

## OIL REPORT: Producer in Cottage; One Oil Test is Abandoned

Taken from the Robertson Tri-State Oil Report

Skiles Oil made a producer out of its W. F. Johnson 'et al No. 2, SW 1/4 SW 1/4, 20-9s-7e (Cottage township), which had initial production of 15 barrels of oil and 80 of water per day on pump from the Cypress at 2249-2304.

Only other completion in Saline county was the abandoning of a test in Eldorado township by Ashland. It was the Mabel Reed 'et al No. 1, NW 1/4 SE 1/4, 12-8s-7e.

C. E. Brehm was testing the Aux Vases at three of his Tate township operations but no information was available. They were the G. R. Johnson No. 2, SE 1/4 NE 1/4, 19-7s-5e; the Verl Springs No. 3, NE 1/4 SE 1/4, 19-7s-5e; and the Williams Bros. No. 2, NE 1/4 SW 1/4, 30-7s-5e. There also was no information at his Verl Springs No. 4, SE 1/4 SE 1/4, 19-7s-5e.

## Eight Air Force Personnel Die In Plane Crashes

By United Press

At least eight Air Force personnel were killed in two separate air crashes Friday and a ninth man was missing in a high altitude collision of two jet fighters.

Four airmen were killed when an Air Force C119 Flying Box Car crashed and burned on a ranch five miles southwest of Federal, Wyo., late Friday. The plane was en route from Offutt Air Force Base, Omaha, Neb., to Mountain Home Air Force Base, Idaho.

The plane sheared off two telephone poles and broke apart. The bodies, all still strapped to their seats, were thrown clear of the main wreckage which was scattered over a quarter mile area.

Four crewmen died Friday when a six-jet, B47 bomber crashed while taking off from Lakenheath (RAF) Station in England, on a routine training mission. Cause of the crash was not known.

Officials of Strategic Air Command Headquarters at Offutt Air Force Base said the bomber was attached to the 371st Bomb Squadron of the 307th Bomb Wing at the Lincoln, Neb., Air Force Base.

Two F86 jet fighters collided at 35,000 feet over the Utah-Nevada border Friday afternoon, causing one to crash into an almost inaccessible rugged mountain area 165 miles south of Wendover, Utah, Air Force Base. The second aircraft landed safely at the Utah installation without injury to its pilot although a large section of its tail assembly was missing.

Listed as missing in the crash was Maj. Manuel A. Pidecock, commander of the 429th Fighter Bomber Squadron, who was flying as part of a three-plane flight from Clovis, New Mexico, Air Force Base to Wendover to take part in the Ninth Air Force gunnery meet.

Air Force spokesman said the second plane in formation collided with the lead plane, piloted by Brig. Gen. William W. Momyer, who made a safe landing.

Names of victims in the C119 crash were withheld pending notification of next of kin.

Those killed in the B47 accident were identified as Capt. Russell R. Bowling, 33, Gause, Tex.; 2nd Lt. Carroll William Kalberg, 26, Co-kato, Minn.; 1st Lt. Michael Joseph Selmo, 25, St. Petersburg, Fla.; and T-Sgt. John Ulrich, 31, Baltimore, Md.

## Leland McCleish, 41, Former Resident, Is Fatally Injured

Word has been received here of the death of Leland McCleish, 41, Chicago, formerly of this city. He was fatally injured Friday in an automobile accident in Blue Island, Ill.

Mr. McCleish is the son of Mr. and Mrs. W. J. McCleish, Fairview, Ill., former Harrisburg residents.

Also surviving are his wife and two children.

The body is being returned to Benton, Mo., McCleish's home town, by the Mitchell funeral service. Funeral plans are incomplete.

## Household Items for Lake Springfield Home Charged to State by Hodge

SPRINGFIELD, Ill. (UP)—Household items ranging from lawnmowers and valued at \$17,500 were charged to the state by former State Auditor Orville E. Hodge, it was disclosed Friday night.

J. Waldo Ackerman, assistant state's attorney of Sangamon County, said the money was spent by Hodge on his lavish Lake Springfield home between 1953 and shortly before the giant check scandal with which he is charged was uncovered.

The money was obtained, Ackerman said, from Hodge's office with the help of John Casper, caretaker of the home, who kept itemized expense accounts for the Lake Springfield establishment.

Ackerman said Casper presented these expense accounts periodically to Hodge's office where vouchers were made and checks were cashed, Ackerman said, by De Silva,

## 37 Unaccounted For in Ship Tragedy; Fear Toll of 49

NEW YORK (UP)—Fear mounted today that the toll in the mid-night collision of two mighty ships would rise to 49 dead with the majority of these carried to their graves when the liner Andrea Doria slipped beneath the waves in 245 feet of water.

Repeated checks of the known survivors against the passenger lists of the Andrea Doria and the Stockholm showed 37 unaccounted for early today. Another 12 were known dead.

Capt. Piero Calamai of the Italian liner insisted he would tell investigating panels that only three persons were killed when the Swedish ship Stockholm rammed into his starboard bow through state-rooms, cargo holds and oil tanks.

Coast Guard Differs

The U. S. Coast Guard, however,

said: "We feel that more than three persons went down with the ship."

Shocked survivors of the Andrea Doria said it was very possible some passengers were trapped in the twisted wreckage of the oncemighty liner. They thought it was possible too that some passengers were unable to reach lifeboats and drowned.

Inquiries were planned to find out if there were grounds for charges by some survivors that no fog horns were sounded before the accident, that the loudspeaker of the Andrea Doria was silent after the collision, that crewmen of the sinking ship were nowhere to be found, and that they abandoned ship in the liner's lifeboats before the women and children were given a chance to seek safety.

## FAIR PASSES HELD TO MINIMUM

There will be no passes issued for the Saline County Fair except to officials, concession operators and others directly connected with the fair's operation, it has been announced by a member of the board of directors.

"In past years we were liberal with passes," the board member said, but added, "this year we have many fine shows, all coming on a percentage basis and they will have representatives checking the gates and have asked that passes be held to a minimum."

gress of Canadian Daredevils gets the fair underway Sunday afternoon and there will be a repeat performance Sunday evening.

This is the tenth international tour of this array of daredevils who stage a racing, crashing, smashing show using a fleet of

1956 automobiles and motorcycles. Monday evening the Grand Ole Opry show, featuring Lonzo and Oscar, is the attraction.

There are twelve entertainers in this troupe that puts on a two hour show of music and fun.

Although Lonzo and Oscar are the stars of the show, two comparative newcomers to the music world are considered outstanding attractions.

## Ride Popularity Wave

The Wilburn Brothers, Teddy and Doyle, are riding a popularity wave at present that puts them near the top in nationwide ratings of country music.

It is reported the latest recording by the Wilburn Brothers is rated among the first ten in the nation. They went east a short time ago to make one appearance on the Arthur Godfrey show, but became an overnight sensation and were held over for a solid week.

"These boys are packing in the fans everywhere they go," the show's promoter has announced. Capacity crowds greet them everywhere and repeat shows have been necessary in many places the promoter stated, adding "We will stage two shows in Harrisburg if it is necessary as we don't want

## Saline County 4-H Girls Hold Dress Revue; Name Delegates to State Fair

Saline county 4-H club girls staged their annual dress revue Friday evening in the basement of the First Christian church. Friday afternoon all garments made in 4-H work were judged and rated for construction, this part of the program being held in the city hall, Harrisburg.

A total of 99 garments were entered in the construction judging and 76 garments were modeled in the revue last night.

Following the revue announcement was made of the winners to represent Saline County in the 4-H contest at the State Fair in August.

Girls who will model at the State

Fair are Cynthia Baker, daughter of Mr. and Mrs. Von L. Baker, Eldorado, and Marilyn Brown, daughter of Mr. and Mrs. O. R. Brown, Harrisburg.

Garments to be sent to the State Fair in construction competition were made by Kay Smith, daughter of Mr. and Mrs. John Smith of Harrisburg, and Kay Taylor, daughter of Mr. and Mrs. Bratcher Taylor, Eldorado.

Miss Taylor is attending a 4-H leadership camp and was unable to attend yesterday's program, but the dress she had made was entered and selected as one of the two to represent the county.

Alternate model, to attend the State Fair if either Miss Baker or Miss Brown is unable to go, will be Carolyn McSparrin, daughter of Mr. and Mrs. Carlos McSparrin, Stonefort.

Miss Ruth Ann Bramlet, who gave a foods demonstration at the meeting Friday evening, will go to the State Fair to attend foods classes and Frances Brown, daughter of Mr. and Mrs. O. R. Brown, will attend the flower arrangements classes at the State Fair.

Before the judges' decision was announced last night, considerable time was spent in judging the girls and their garments. All of the girls modeled their garments, then 14 of the 76 were called back to the stage for additional inspection. Then the number was reduced to seven and after more inspection of the garments the winners were announced.

Mrs. Louie Gaskins was master of ceremonies for the program and music throughout was furnished by Mrs. Paul Holland at the piano. Judges were Jean Welborn and Ruth Grant, home advisers in White and Williamson counties respectively.

## Jan. 7 Fixed For Start of Next Session

### Social Security, Housing, Foreign Aid, Flood Insurance Passed

WASHINGTON (UP)—Members of the adjourned 84th Congress began an exodus to their home states today to prepare for next month's national political conventions and their own battles for reelection.

They closed the books on the 84th session Friday night with the passage of four major bills—foreign aid, social security, housing and flood insurance.

The House adjourned sine die at 11:56 p. m. EDT and the Senate at midnight. Jan. 7 was fixed as the starting date of the next session.

Today, there were the usual arguments over how good a record the 84th Congress made and over which party contributed the most to the nation's welfare. But the real concern of most members was, "Who will control the next Congress?" and "Will I be back?"

All 435 House seats will be at stake in the November elections and 35 of the 96 Senate seats. The congressional campaigns will begin in earnest after selection of the presidential tickets at the Aug. 13 Democratic convention in Chicago and the Aug. 20 Republican convention at San Francisco.

In the final day of its session, Congress sent to President Eisenhower a social security bill far more liberal than he had sought. It would speed benefits to more than one million persons by lowering the retirement age to 62 for women and to 50 for the totally disabled. It would increase social security taxes.

Congress also passed a foreign aid measure much lower than the President asked but a housing and flood insurance legislation more closely tailored to his wishes.

President Thanks Lawmakers

The foreign aid bill appropriated \$3.77 billion, compared with \$4.9 originally asked by Mr. Eisenhower.

The housing bill authorized construction of 70,000 new public housing units over the next two years. The flood bill approved a \$5 billion federal insurance program and a \$2.5 billion loan program for flood victims.

Although he did not get everything he wanted from Congress, Mr. Eisenhower thanked leaders of both parties for the "cooperation" he received.

The 84th Congress was under the control of Democrats but passed much of President Eisenhower's legislative program. Republicans said it didn't approve enough; Democrats claimed a high record of accomplishment despite "weak" White House leadership.

Senate Democratic Leader Lyndon B. Johnson called the 84th session "the hardest working Congress in recorded history" and a congress of "solid achievement."

Senate Republican Leader William F. Knowland and House GOP Leader Joseph W. Martin Jr. admitted that President Eisenhower achieved a fair batting average during the two-year Democratic session.

## Glass Fiber Fabrics Suited For Curtains

Glass fiber fabrics are particu-  
larly well suited for curtains and  
draperies, but finishing processes  
still need to be perfected.

If the fabric is not processed,  
the yarns cut themselves and break  
and the fabric becomes fuzzy. The  
finishing process helps to prevent  
the rough, tough yarns from rub-  
bing over each other and break-  
ing excessively, but it doesn't en-  
tirely prevent it.

Although manufacturers are im-  
proving processing techniques, they  
have not yet been perfected. When  
this problem is overcome, glass  
fiber fabric will be one of the best  
for curtains and draperies.

The greatest advantage of this  
fiber is its strength. When made  
into curtains or draperies, the  
fibers don't sag or stretch. They  
won't burn, and they aren't affect-  
ed by sunlight, making them suit-  
able for outdoor purposes or cur-  
tains.

These fibers are non-absorbent  
and they will not mildew or at-  
tract moths. These characteristics  
make them particularly useful for  
shade, decoration and protection  
on porches and terraces.

Because of its roughness and in-  
elasticity, glass fiber fabric is poor  
for clothing, but these same fac-  
tors make it good for curtains and  
draperies.

**Sheep Sale**  
Forty - eight yearling purebred  
sheep from the Dixon Springs Ex-  
periment Station found new homes  
on Thursday, July 12, when Auc-  
tioneer Bill Dameron cried, "Sold!"  
to 26 buyers from Illinois, Ken-  
tucky and Indiana. The average  
sale price of \$71.46 confirms the  
fact that bidding was brisk. Sale  
toppers were twenty Suffolk rams  
that averaged \$87.25. Here is the  
average price breakdown by breed

and sex: Hampshire rams, \$69.23;  
Targhee rams, \$56.07; Suffolk  
ewes, \$57.00; Hampshire ewes,  
\$35.83.

### Brooks Big Buyer

Basil M. Brooks of Madisonville,  
Kentucky, was a very active bidder  
and ended the day as new owner  
of nine Suffolk rams. The big  
buyer from Illinois was Fred H.  
Perkins, who took three Hamp-  
shire rams home to West Union.  
S. D. Freeman from Gracey, Ken-  
tucky, provided plenty of action in  
the Hampshire bidding and wound  
up with four rams and three ewes.  
Not to let Indiana down and to  
make Mr. Brooks pay for his rams,  
Jerome E. Joest of Wadesville  
trucked four Suffolk rams from  
the sale.

Jack Lewis, assistant superin-  
tendent, said this was one of our  
better sales. It moved rams that  
will—if used on good milking  
properly managed ewes—provide  
the buyers with a well-meated  
lamb crop next year.

### Seeding New Pasture?

The people who year after year  
have most success with pasture  
seedings are those who seed early.  
Right now is not too early to pre-  
pare that initial seedbed.

Early seeding without enough  
soil moisture to germinate the seed  
and keep the crop growing is no  
better and perhaps even more  
risky than later seeding. Soil  
under broomsedge, bluegrass sod  
or old weedy pasture can be the  
driest in the world at this time  
of year and even up to the time  
of fall rains. It is dry because  
when summer rainfall is limited  
the plants rapidly use up the soil  
moisture. In short, plants, and  
particularly a heavy crop of weeds  
or grass, use moisture much faster  
than it will pass off by evapora-  
tion alone. So the main object of  
plowing now is to destroy plant  
life in order to store present and  
future moisture for early starting  
and maintenance of new seedlings.

### Now Plowing On Station

George McKibben, our crops and  
soils man, knows how important  
this stored moisture is. That is  
why he is plowing now for fall

## Removing Hazards Helps Reduce Farm Accidents

URBANA — "Safety Pays All  
Ways."

That's the theme of National  
Farm Safety Week, which the Illi-  
nois Rural Safety Council is ask-  
ing farmers and their wives to ob-  
serve July 22-28.

We can learn to prevent acci-  
dents if we realize what causes  
them. Modern safety practices  
stress removing the causes, which  
often are carelessness, thoughtless-  
ness or just plain being in too big  
a hurry, says O. L. Hogsett, exten-  
sion safety specialist at the Uni-  
versity of Illinois College of Agri-  
culture. When the cause is re-  
moved, these accidents don't hap-  
pen. That means farmers could  
save many lives plus thousands of  
dollars in hospital bills and prop-  
erty damage each year if they'd  
follow these safety rules.

Here is the day-by-day program  
of safety rules being featured dur-  
ing National Farm Safety Week:  
**Sunday:** Have reverence for life.  
Take time to take care.

**Monday:** Home safety. Empha-  
size the need for eliminating un-  
safe practices in the home.

**Tuesday:** Livestock. Keep small  
children away from animals and  
be open-minded to safety sugges-  
tions.

**Wednesday:** Falls. Good plan-  
ning reduces the temptation to  
hurry, means better production and  
fewer accidents.

**Thursday:** Highway traffic. Be  
courteous; obey proper signals and  
signs on the highway.

**Friday:** Machinery. Don't de-  
pend on luck. Stop machines be-  
fore unclogging, oiling, or adjust-  
ing them.

**Saturday:** Review day. Check  
up on farm and home hazards that  
you might have overlooked. Take  
safety seriously.

## Farmer Members Receive \$2,797 Dividends From Credit Co-Op

Farmer who are members are  
receiving checks today totaling \$2-  
797.00, as dividends on their stock  
in the National Farm Loan Associ-  
ation of Harrisburg, according to  
an announcement made today by  
William W. Hall, Secretary-Treas-  
urer.

The dividend of 4 per cent was  
declared by the board of directors  
of the association at its last meet-  
ing payable to its member-stock-  
holders of record at the close of  
business on May 31, 1956.

The dividend payment by this  
local credit cooperative was made  
possible by a recent dividend re-  
ceived on its stock in the Federal  
Land Bank of St. Louis. Thus the  
association is passing on to its  
members a portion of the savings  
made by the cooperative farm mort-  
gage system. The remainder of  
the dividend paid by the bank will  
be used to build strong reserves  
in the association.

Farmer are using five times as  
much nitrogen now as they used  
15 years ago, but less lime.

seedings. George also wants to  
get the job done early enough to  
apply and disc in limestone and  
needed phosphate and potash be-  
fore the fall rush.

It isn't always possible nor is  
it always desirable to plow. In  
many summers—and this one may  
be no exception—the soil is too  
dry and hard. Under difficult plow-  
ing conditions and also where er-  
osion losses might be great, George  
uses a heavy disc to kill vegetation  
and to work up the soil. The  
heavy disc works best when soil  
moisture is good, but it will con-  
tinue to cut when plowing is im-  
possible.

McKibben's suggestion — and a  
tip to all of us—is: "Plow or disc  
now for pasture seeding this fall."

### Humm-Logsdon Marriage Solemnized With High Mass at St. Mary's Church

(Foster Studio Photo)  
Mrs. Joseph Arthur Logsdon

The marriage of Miss Mary Anne  
Humm, daughter of Mr. and Mrs.  
Victor Humm, 202 South Main, and  
Joseph Arthur Logsdon, son of Mr.  
and Mrs. Thomas O. Logsdon of  
Shawneetown, was solemnized with  
a high mass Thursday at nine  
o'clock in the morning at St.  
Mary's Catholic church.

Father Thomas Burns read the  
double ring ceremony and read  
the mass which is the highest hon  
or the Catholic church can bestow  
upon a newly married couple.

Standards of white gladioli and  
greenery flanked by candelabra  
containing white burning tapers  
decorated the altar. Baskets of  
white shasta daisies were placed  
in front of the statues of the Bless  
ed Virgin Mary and St. Joseph.  
The pews were marked with ar  
rangements of white flowers cen  
tered with one white candle.

The bride, escorted to the altar  
and given in marriage by her fa  
ther, was lovely in a gown of chan  
tilly lace, taffeta and net. The low  
neckline outlined with nylon net  
and trimmed with sequins and  
seed pearls came to a V in front  
and the long lace sleeves tapered  
to a point over the hand. The skirt  
was fashioned with gores to the  
hipline where a large gathered taf  
feta sack formed a bow bustle in  
the back. The billowy skirt extend  
ed into a chapel train.

Her fingertip veil of tulle illusion  
was a Dior creation secured to a  
pearl studded crown. She carried  
a large cascade bouquet of three  
white orchids encircled with ste  
phanotis.

Miss Edna McCue, close friend  
of the bride, was maid of honor  
wearing a white strapless gown  
of chiffon and net. Sheer chiffon  
covered the floor length skirt of  
rows of tiny ruffles. A butterfly  
bustle was accented with contrast  
ing flowers and she carried a cas  
cade bouquet featuring all the rain  
bow colors worn by the brides  
maids.

The bridesmaids' dresses were  
fashioned identically as that of the  
maid of honor and were in colors  
of pink, green, yellow and blue.  
They wore matching headbands  
and carried colonial bouquets of  
contrasting flowers.

Chosen as bridesmaids were Miss  
Hedger, superintendent.

**In Its Third Week**  
(Continued from Page One)

is from Cobden, the rest from West Frankfort.

All donate the services. Only a nurse, kept on duty, receives compensation, aside from a doctor, who is paid for calls.

Faculty members are ministers, church secretaries and school teachers, and the camp periods are divided into six one-week periods. A junior camp was held July 9-14, a junior high camp from July 16-21, and a senior camp for sophomores, juniors and seniors in high school and college freshmen was held the past week. Yet to be held will be another junior camp week, a junior high camp week and a family week camp.

**Missionary On Hand**  
The curricula varies each week, with different faculty members. A missionary is on hand each week to talk to the campers. Rev. Daugherty was camp dean from July 16-21 and was athletic director July 9-14.

The camp is clean and neat and looks adequate. On the grounds are the tabernacle, a combined administration building and dining room, six barracks, an infirmary, three shelters for classes, two shower rooms and three shelters.

People from churches below U. S. Route 50, which cuts across Illinois from East St. Louis to Carlyle to Salem, to Flora, to Olney, to Lawrenceville, attend the West Frankfort camp.

## UNCHANGING!

How different their transportation from ours! How different their clothing! And yet, their spirit, their motives, their purpose, their God were the same.

In a covered wagon on the open prairie, or in a modern car on a super deluxe highway, God is with his people, his unchanging love giving them strength.

His Church is unchanging too. For it taught the same truths, and proffered the same comforts to those pioneer men and women as it does today.

Yes, God is unchanging. The Church is unchanging. Only people, the hearts of people, are inconstant.

How about you? Don't you need a power and strength far greater than yourself? God is waiting, the Church is waiting, the people are waiting. Will you add your strength to theirs and help the Church meet the challenges of today?

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### 'Witnessing Through Suffering'

I Peter 1:3-9; 5:6-11  
GOLDEN TEXT: "Casting all your care upon him; for he careth for you." (I Peter 5:7)

INTRODUCTION — Why is it that God does not take a person out of this life and carry him off to heaven the minute that person becomes a Christian? The answer: He needs personal witnesses in this world.

Christian people have their share of troubles, cares and sorrows. During these dark hours the Christian has his very best opportunity to witness for Christ. The person who is not a Christian has nothing to which he can cling when the storms come. They go all to pieces in the face of death. When one of their loved ones passes away they sometimes lose all control of themselves.

On the other hand, the person who has a deep abiding faith in Christ can face these same ordeals with a calmness and serenity that baffles the world. Death has no sting, and the grave has no victory for the Christian, because their Master has pulled death's stinger and conquered the grave. He has promised that his followers shall do exactly the same.

### I KEPT BY GOD'S POWER (1:3-5)

Jesus "hath begotten us again unto a living hope (assurance) by the resurrection from the dead." (v. 3) The word "hope" in the Bible means "assurance." The Christian experience is no maybe so affair. The promises of God are sure and steadfast. He has promised that those who trust His Son, by faith, shall have eternal life, and they will.

"We are kept by the power of God through faith unto salvation ready to be revealed in that last time." (V. 5) That word "Kept" means just what it says. We are kept by the power of God.

### II CHRISTIAN SUFFERING (1:6-9)

Christians will do all their suffering in this life. Unsaved people will suffer through all time and eternity. God permits Christians to suffer sometimes to test their faith. How about Job. He suffered as few people have ever suffered, but his faith never wavered.

There is a sense in which the Christian rejoices in suffering. He does so because it is another opportunity to witness for and to magnify Christ.

### III LET GOD EXALT (5:6-7)

We are to remain humble. This is a most difficult thing to do in this day in which we live. People around us are always bragging about themselves and blowing their own horns. Christian people are often tempted to follow their example.

However, we are to remain humble and let God do the exalting. He will bring all the glory our way that we need.

That seventh verse is wonderful: "Casting all your care upon him, for he careth for you." My! how true! A lady whose husband has recently passed away, said: "I don't know what I would do without God's help." My own mother, who has been on bed of affliction for months, is a living testimony to the love of God.

### IV YOUR ADVERSARY — THE DEVIL (5:8-9)

The devil is real. He is not in hell, either. He is walking around our streets, in our homes, churches, schools and everywhere human beings find themselves. He is "seeking whom he may devour."

Some folks picture the devil as being dressed in a red suit, with horns on his head, with a pitchfork in one hand and with a long tail. That is not what the devil looks like. He fools lots of people, because he comes in such lovely forms. He dresses in the best manner. Oh, he is a sly one, alright.

CONCLUSION: "To him be the glory." God wants a strong testimony from His followers today. It is needed. We live in a day when morals have slipped. Things done in the open today were scarcely done in secret just a few years ago. This is the day in which Christian people should stand for that which is right. God will help us through all suffering in this life. He will take us to that place where there is no suffering in the life to come.

## Squirrel Hunting Season Opens Aug. 1 In Southern Zone

SPRINGFIELD, Ill.—As hunters prepared for next Wednesday's opening of the squirrel season in Illinois' Southern zone, Director Glen D. Palmer of the state Department of Conservation today issued a friendly warning for hunters to be sure they have purchased their 1956 licenses.  
Squirrels—gray, black or fox—will be legal take in the Southern zone from August 1 through October 15, and in the Northern zone from September 1 through October 31.  
Daily bag limit remains at five, with a possession limit of five on opening day and 10 thereafter.  
Top tier of counties in the Southern zone includes Calhoun, Jersey, Madison, Bond, Fayette, Effingham, Jasper and Crawford, it was pointed out by Director Palmer.  
Squirrel hunting in those counties and all others south to the tip of the state will be legal throughout August, while residents above that zone line must wait until September 1 to try their luck.  
Game specialists for the department report at least a normal crop of squirrels and predict a good season for hunters, if the weather cooperates.

## Miguel Berrios Snaps Winning Streak of Anahuac

NEW YORK (U)—Featherweight Miguel Berrios of Puerto Rico, inspired to heroics by hair-pulling in his corner, was promised today another television fight on Aug. 22 at San Francisco for snapping the winning streak of Mexican Kid Anahuac at Madison Square Garden.  
His San Francisco opponent will be Flash Florde of the Philippines, former challenger and currently fifth-ranking contender.  
Trainer Munito Medina angrily pulled stocky Miguel's hair in the corner Friday night after the first round "because he was waitin' too much," and thereby turned Miguel into such a bundle of punching fury that he won the unanimous 10-round decision handily in a thrilling fight.  
Berrios weighed 128 1/2 pounds to Anahuac's 128.
